

Welcome back message from the Chair

Hello everyone,

Firstly I hope that this message finds you all fit and well and hopefully venturing out and about more, therefore becoming more confident in taking up the mantle of a more normal lifestyle. (Whatever your normal was)

Following the last missive I sent which was unfortunately to impart bad news due to the rise in COVID numbers, this time I have good news. Hopefully you will all agree.

With the situation at our current venue remaining the same but with the committee recognising the need to resume our monthly meetings the following decision was taken at the recent committee meeting. The meeting for October will go ahead on 14th October but at a different venue namely Saltash Social Club.

The Social Club is located approximately half way down Fore Street (just a 5 minutes stroll from the Wesle), turning left just prior to the Post Office. The numbers that can be accommodated at this venue in line with government guidelines is 150 so therefore we are sorry but admittance will have to be on a first come basis.

Apart from the change of venue all aspects of the monthly meeting will remain the same, starting at 2pm there will be a formal welcome followed by an update in respect of groups, both established and new then a speaker. Refreshments will also be available provided by the venue which will cost £1.00.

We do hope that you will support the committee in its decision to move to this temporary venue allowing us to re-open, resume and re-launch Saltash U3A.

Access is through the main entrance where there will be clear signage pointing you in the right direction. For those of you wishing to renew your membership by cheque or cash there will be the opportunity to do so at this meeting, subsequently all those who have renewed your subscription by direct debit you will be able to collect your membership card. So lots of reasons to come along and say Hello in person for the first time in many months.

We acknowledge that it may not suit all our members but we do ask that you give it and us a chance allowing us to move forward.

Looking forward to welcoming you on 14th October.

Regards

Amanda & Committee
