

Saltash u3a is part of a partnership with Plymouth University. We are invited to lectures and to participate in research projects. Recently we had a tour and presentation at the Cyber-SHIP laboratory which was extremely interesting. In the summer vacation not a lot is happening in the University but hopefully this will pick up in the autumn. If you are interested in receiving information about this please email me your details and you will be put on a list to receive the University information

Kind regards,
Jennifer Gegg
Secretary, Saltash u3a
