

ART GROUP

The Art Group was formed in October 2023 with members ranging from complete novices through to those with more experience. We have several members who maintain they have never done art but we all did it back at school so come along and find that inner child again or recapture the pleasure of producing a piece of art if you are more experienced.

Our aim is to learn from, to help and to encourage each other, to try something new or improve our current skills in a relaxed and friendly environment. Overall we hope our classes are enjoyable and sociable as we learn.

We meet on the first and third Friday every month at the Girl Guide Headquarters, Warfelton Crescent, between 1.30pm and 4.30pm.

Come along and see what we do or please get in touch using the 'CONTACT US' link below.

Brenda Garner

Art Group Leader
